

For a Blissful Bride

The frenzy and stress of planning a wedding means that many brides need a way to calm down before the big day. Danielle Radke, owner of Blissful Bath in Woodbury Lakes (www.blissfulbath.com), conjured up the perfect pacifier: the I Do bubble bar, in the shape of a diamond ring, and Blushing Bride cupcake bubble bath. The lighthearted designs are coupled with calming scents for a relaxing pre-wedding treat. —KS
